

HealthLynked Corp. Announces Retaining The Intellectual Property Law firm of Lewis Roca Rothgerber Christie LLP

October 24, 2017

Naples, FL- (October 24, 2017) – HealthLynked Corp. (OTCQB: HLYK) today announced it has retained Raymond Tabandeh J.D. and his law firm Lewis Roca Rothgerber and Christie LLP a boutique law firm based in Glendale, California to represent the company on matters related to Intellectual Property protection and filings.

HealthLynked’s mission is to improve healthcare through the efficient exchange of medical information. The company plans to develop personalized healthcare surveillance of every patient member through diagnostic algorithms and artificial intelligence. The company will compare thousands of data points for each individual patient member and provide feedback on potential harmful drug interactions, recommended medical screenings and diagnostic testing, specific to a members age, medical history, gender and ethnicity.

“It is important as we make strides in improving the care of our patient members, we develop proprietary diagnostic algorithms to integrate our members medical information across all their healthcare providers. As technology in the area of big data and computer learning is rapidly evolving, we will be deploying these new technologies to develop tools that improve the care of our patient members,” said Dr. Michael Dent, Chairman and Chief Executive Officer.

About HealthLynked Corp.

HealthLynked Corp. provides a solution for both patient members and physician providers to improve healthcare. The HealthLynked Network is a cloud-based platform that allows patients to enter their medical history, medications, allergies, past surgeries and medical records in one convenient online secure location, “free of charge”.

Participating healthcare providers realize benefits in the ability to see more patients, access more accurate patient information, participate in our telemedicine program, improve patient retention and increase online filling of vacancies including last minute cancelations through our “real time appointment scheduling” mobile application. Healthcare providers pay a monthly fee to increase online visibility,

retain existing patients, recruit former and new patients, and improve office efficiency.
