

# HealthLynked Corp. Announces 60,000 HealthLynked Provider Profiles Created in Preparation for Launching its Network in Texas

Press Release | 09/05/2017

NAPLES, Fla., Sept. 05, 2017 (GLOBE NEWSWIRE) -- HealthLynked Corp. (OTCQB:HLYK) today announced it has created 60,000 HealthLynked Provider profiles for every physician in Texas. Members now can search in Florida and Texas and find their Healthcare providers with over 110,000 profiles.

Creation of the HealthLynked provider network is an important step in allowing our patient members to search and "Lynk" to their healthcare providers anywhere in the U.S.

Dr. Michael Dent, Chairman and Chief Executive Officer, stated, "We are excited to expand our Provider Network and will soon be launching our sales and marketing efforts in Texas. We feel that the Texas market offers a unique opportunity to expand our network services as we continue our mission to create a nationwide network of Healthcare providers allowing patients' healthcare records to move with them and be available to the healthcare providers they choose."

## **About HealthLynked Corp.**

HealthLynked Corp. provides a solution for both patient members and healthcare providers to improve healthcare. The HealthLynked Network is a cloud-based platform that allows patients to enter their medical history, medications, allergies, past surgeries and medical records in one convenient online secure location, free of charge. Our patient member's healthcare records move with them and are available to their healthcare providers. The HealthLynked network facilitates sharing of medical information across multiple electronic health records systems.

Participating healthcare providers realize benefits in the ability to see more patients, access more accurate patient information, participate in our telemedicine program, improve patient retention and increase online filing of vacancies including last minute cancelations through our "real time appointment scheduling" mobile application. Healthcare providers pay a monthly fee to increase online visibility, recruit new patients, and improve office efficiency.
