

# HealthLynked Announces the Release of its New Patient and Provider Websites and Improved Provider Profiles

Naples, FL- (November 27, 2018) – HealthLynked Corp. (OTCQB: HLYK) today announced the company has updated its Provider and Patient websites. The new websites better illustrate the wide range of services the company has developed including testimonials and the company's mission to connect patients, doctors, and their data to improve healthcare.

The main website conveys the many benefits to patient members utilizing the HealthLynked Network to connect to current and future healthcare providers.

Services include:

- Patient Profile
- Personal Health Records
- Online Scheduling
- Medical Newsfeeds
- Access and Co-management of Family Members' Healthcare
- Ability to Access Critical Medical Information in Emergencies
- Group Chat to Connect with Other Patients with Similar Medical Conditions
- Personal Healthcare Guidelines
- Access to Discounted Medical Supplies
- And more

Healthcare providers can update their online profiles and connect to other healthcare providers. In-network HealthLynked providers can access the full range of HealthLynked services that include:

- Comprehensive Provider Profile
- Access to Online Scheduling
- Provider-to-Provider Communicator
- Online Marketing Services
- Latest Medical Updates
- Personalized Patient Reminders
- Discounted Medical Supplies
- Group Chat
- And more

HealthLynked has also improved its provider profiles and now helps connect healthcare providers by suggesting colleagues by location, similar specialties, and common training. The new provider profiles have improved search engine

optimization and the company has already seen a 450% increase in search ranking since being implemented.

The new website is responsive to mobile devices and links to the company's mobile apps for both Android and iOS are available for download on the company's website.

Dr. Michael Dent CEO stated "Our new design features an open, clean layout and simple, clear navigation buttons, allowing site visitors to more easily find the information they need."

"The redesign also improves the site's readability and better reflects our expanding product lines and services," he said. "The updated design underscores our commitment to improve healthcare and a more focused message to both healthcare providers and our members."

### **About HealthLynked Corp.**

HealthLynked Corp. provides a solution for both patient members and providers to improve healthcare through the efficient exchange of medical information. The HealthLynked Network is a cloud-based platform that allows members to connect with their healthcare providers and take more control of their healthcare. Members enter their medical information, including medications, allergies, past surgeries and personal health records, in one convenient online and secure location, free of charge.

Participating healthcare providers can connect with their current and future patients through the system. Other benefits to providers include the ability to utilize the HealthLynked marketing tools to connect with their active and inactive patients to improve patient retention, access more accurate and current patient information, provide more efficient online scheduling and to fill last minute cancelations using our "real time appointment scheduling" all within our mobile application. Healthcare providers pay a monthly fee to access these HealthLynked services.
