

# HealthLynked to Attend the 2019 HIMSS Global Conference & Exhibition

Naples, FL- (December 11, 2018) – HealthLynked Corp. (OTCQB: HLYK) today announced that the Company will be attending the HIMSS Global Conference & Exhibition (Healthcare Information and Management Systems Society) taking place on February 11-15, 2019 in Orlando, Florida. The HIMSS Global Conference & Exhibition is the leading health information and technology conference, bringing together 45,000+ professionals from 90+ countries for the education, innovation and collaboration they need to transform healthcare through information and technology.

Physicians attending the HIMSS conference are encouraged to stop by our booth #6793 to activate their HealthLynked account and learn more about the benefits of being a HealthLynked provider. HealthLynked offers physicians a wide range of tools that optimize medical practices, save time, and increase patient engagement. HealthLynked has rapidly been expanding its innovative platform technologies that connect doctors, patients and their data to improve healthcare.

“I look forward to attending the upcoming HIMSS conference in Orlando, Florida next February. Our participation at the FMA conference in August this year was a huge success and Physicians are extremely receptive to becoming a part of the HealthLynked network, recognizing the value we bring to the Doctor-Patient relationship and how we improve healthcare,” said Michael Dent, M.D., Chairman and Chief Executive Officer of HealthLynked. “Attending events like the HIMSS conference helps us reach physicians and rapidly grow our network of Providers. We are also excited to meet with companies that share our vision to improve healthcare through innovative technologies and Artificial Intelligence “AI” as we continue to develop powerful strategic relationships.”

*HIMSS is a non-profit global caused-based organization, whose goals are to promote the best use of information technology and management systems in the healthcare industry. HIMSS is the leader to optimize health engagements and care outcomes by using information technology. The conference will feature exceptional world class speakers, new cutting-edge products and powerful networking opportunities that are the foundation of this leading industry conference.*

## **About HealthLynked Corp.**

HealthLynked Corp. provides a solution for both patient members and providers to improve healthcare through the efficient exchange of medical information. The HealthLynked Network is a cloud-based platform that allows members to connect with their healthcare providers and take more control of their healthcare. Members enter their medical information, including medications, allergies, past surgeries and personal health records, in one convenient online and secure location, free of charge.

Participating healthcare providers can connect with their current and future patients through the system. Other benefits to providers include the ability to utilize the HealthLynked marketing tools to connect with their active and inactive patients to improve patient retention, access more accurate and current patient information, provide more efficient online scheduling and to fill last minute cancelations using our “real time appointment scheduling” all within our mobile application. Healthcare providers pay a monthly fee to access these HealthLynked services.
